Support Native American Connections

Your charitable gift to our organization could cost you nothing at all!

Native American Connections (NAC) once again qualifies for the State of Arizona Charitable Tax Credit for tax year 2009 (A.R.S 43-1088). This tax credit, which benefits charitable organizations which serve the homeless and working poor, allows you to receive a dollar-for-dollar credit up to \$400 for couples filing jointly, or up to \$200 for individuals filing a single tax return.

To take advantage of this credit you must:

- Itemize your charitable contribution
- Establish a baseline year for charitable giving (as early as 1996)
- Increase your charitable giving over your baseline year
- Make your check payable to Native American Connections.

You will be issued a receipt by NAC to use for income tax purposes.

NAC does not offer tax or legal advice. Please check with a professional licensed tax advisor about your specific situation. For more information about this or other forms of giving, please contact our Development Department at (602) 254-3247.
