# Mobile Health Services

*NAC Resident Guide*

## What are Mobile Health Services?

Our Mobile Health Vehicle, operated by NAC staff, provides medical care & mental wellness on-site at NAC communities.

## Medical Care & Mental Wellness Brought Right to You!

- Annual Wellness Checkups
- Flu | Cold | COVID
- Diabetes Prevention & Care
- Substance Use & Mental Wellness
- Vaccinations
- Disease Management

## Improving Health & Wellness

With this service, NAC hopes to grow healthcare options for individuals & families living in this community.

## Healthcare Accessibility in Our Community

### Quality Services

Helpful staff support, leading with cultural understanding

### Lower Costs

At home healthcare = more time saved & money in your pockets

### Fast Appointments

Make a same day appointment to see your provider

### We Care

Our team is putting your health first

## Questions?

Talk to your Property Manager or Resident Service Provider for more info!
